Contents coverage – What you get

AXA Smart Home covers loss or damage to your home contents and personal effects of the insured or family members incurred at the insured's private dwelling, including fixtures and fittings therein.

In addition it also provides the following extra covers:

- Loss of personal money (of the Insured or family members) incurred as a result of burglary with visible forced entry of robbery at the insured's private dwelling.
- Loss or damage to home contents during temporary removal (to and from) for cleaning, renovation, modification and repair within Thailand.
- Loss or damage to electrical appliances or installation from fire and lightning caused by overrunning, excessive-pressure, short circuiting,
- Loss or damage to the insured private dwelling house and contents by burglary with visible marks.

What's Covered—Household Contents

Household Contents are items of home appliances / property belonged to the insured or members of the insured family, solely for residential use and while contained in the insured premises.

Note : For items of property, such as **Computer Notebook, Palm and Pocket Personal computer, Portable Camera, Digital Camera and VDO Equipment, Wrist Watch, Mobile Phone and other like kind property**, please contact Us for coverage extension terms/conditions and a quotation for the additional premium if any.
